It's no different, so be considerate of others who might find this taking it all too far. Not to be taken literally. Then give up - if she's not feeling it, then she's made it clear how she feels and you should desist. Two Parts: Are you a girl who wants to get another girl to kiss you. If she isn't leave her alone and forget it as it could risk your friendship. If she is into you she will not turn away from your smooth move. Wehn you want to kiss her, give her a friendly kiss on the head first. Next time she calls, just say: "I've met somebody really great and I can't go out with you tonight, but let's hang out next week. If she flirts with you, leans close to you when she talks, occasionally runs her hands through your hair, and gets very touchy-feely with you, then it's more likely that she wants to kiss you. After you're exonerated of responsibility, you should at least think up a cool nickname for yourself like "lady killer" or something. Just try not to be nervous because if she really is your friend then she will care and like you no matter what. Men do the kissing. No matter how nervous you are, try to make it seem like the most natural thing in the world. I had my female friend ask her if she would hu with me, nd she said prob, im wondering if i should try it in the movies hfr the group or just not try it at all. If you are trying to get a girl to kiss you, then you have zero confidence. Making "the" move is the most detrimental part of getting her to kiss you. In this scenario, the girl doesn't consider you a physical threat and feels a slap dating solve her problem. Other product nkt company names shown may be trademarks of their respective owners. Here are some worst-case scenarios in case something unthinkable happens. Stop any kind of sexual interaction with her until she breaks up with her boyfriend. No matter how nervous you are, try to make it seem like the most natural thing in the world. So, you've asked the question: "How do I get a girl to xating me? Men can be kind of dense sometimes, like we all can in these kinds of situations. I met her almost a year ago, and she knows full well that I'm extremely shy. Even if you're both just wjen, this conversation shouldn't make her feel too uncomfortable if she knows you well enough. Our site does not include the entire universe of available offers. If she touches yours, or adjusts your hair or picks lint off your jacket, those are good signs. If the girl is a lesbian or bisexual, then she's obviously open to kissing girls, but if she's just bi-curious, gorl to new experiences, and loves to experiment, then you may have a shot at it too but be gentle in your approach and give signs that you ho interested. Make sure she has a hint that you like her as more than a friend.
